Yarchei Kallah Aug. 24th – 29th

Our second annual Yarchei Kallah will be focusing on practical cases in Civil Law. A Yarchei Kallah's purpose is to let the audience study the material before the presentation and allow one to become more familiar with the topics and methodology of the lecture. Therefore, preparation study will take place at 6:30pm followed by the lecture at 7pm. Naturally, a light dessert will be served for the Rabbis state: "Without food, there can be no Torah."
